Montpellier Exhibition Centre

# enerGaïa

Renewable energy Forum

Let's pool our energies!

## Take part in the only French trade show for all renewable energies

**Accelerate your growth and boost your sales:** Meet new customers, build loyalty in your network and bring commercial opportunities to fruition.

**Gain visibility towards the sector's decision makers:** Showcase your innovations, display your expertise towards qualified project developers and purchasers.

**Be inspired and create sustainable synergies:** form strategic partnerships with key renewables players and anticipate market trends.

## Forum EnerGaïa is the trade event where:

- ▶ The renewables projects of the future are created
- ▶ The sector's experts share their experience and inspire the industry
- ▶ Innovations in the renewables sector are spotlighted.

100% of  
renewables  
covered
